free your broadband

Channel Partner Agreement

This Channel Partner Agreement is executed on this _____ day of _____, 20____

between netBlazr Inc (netBlazr) and _____

(Channel Partner) located at _____.

netBlazr wishes to promote the use of its cooperative broadband service; and Channel Partner wishes to connect businesses to netBlazr and has the necessary expertise to do so; therefore, Channel Partner and netBlazr agree to the following:

- Channel Partner will market netBlazr service to their customers and other businesses consistent with netBlazr's culture of openness and transparency.
- Channel Partner will contract directly with members for installation services and make it clear that these costs are separate from netBlazr service.
- Channel Partner will submit all proposed member installations to netBlazr prior to committing service availability to prospective member.
- Channel Partner will notify netBlazr of any complications with hardware, installation, internet service, etc.
- Channel Partner may promote and market this partnership, but must have approval to use the netBlazr name and logo.
- Channel Partner will notify netBlazr if they or their members choose to terminate netBlazr service.
- Channel Partner will ensure that employees (or any authorized representative) are properly trained in netBlazr service and equipment installation.
- Channel Partner will relay all member relevant communications and messages to netBlazr members.
- Channel Partner will not resell netBlazr service or charge members additional service fees for netBlazr service.
- Channel Partner will ensure netBlazr personnel have access to member premise for occasional equipment maintenance or RF retuning.

- netBlazr will provide Channel Partner with sales training and sales materials to effectively market netBlazr service.
- netBlazr will provide installation training and ongoing supervision of all installations netBlazr deems necessary.
- netBlazr will maintain a culture of openness and transparency, including real time communication with Channel Partner regarding network performance, service quality, outages, changes, etc.
- netBlazr will provide technical support when needed, as well as information regarding updates, upgrades, changes in service.
- netBlazr will provide Channel Partner and members useful online community support and related tools to answer questions concerning netBlazr service.
- netBlazr will list Channel Partner on netBlazr’s website, including a link to Channel Partner site.

netBlazr reserves the right to change or terminate any aspect of this agreement or the partnership in its entirety at anytime with written notice. Similarly, Channel Partner can terminate this agreement with 30 days written notice. Upon termination, netBlazr retains all rights to related to the provision of netBlazr service to any members acquired under the terms of this agreement.
