

**netBlazr**  
free your broadband

**Position:** **Software Development Intern or Part-time**

**Location:** One Marina Park Drive, Boston, MA

**Hours per week:** 16+ hours, flexible

**Start date:** Immediately

**About us:**

netBlazr is a Boston startup that helps businesses build co-operative broadband networks which deliver free internet to the co-op members. *We are like Skype for broadband.* Our innovative wireless technology does an "end run" on Verizon & Comcast, and our Boston network expands with each new member joining. netBlazr wants to **free your broadband**.

**netBlazr** is a finalist in the MassChallenge business plan competition which means interns will also have the opportunity to attend MassChallenge sessions covering marketing, sales, legal, technology, finance, and teambuilding, as well as the chance to network with other finalists and industry professionals.

**Position Overview:**

netBlazr's Software Development Intern will work closely with netBlazr founders and developers to develop and integrate software elements required for commercial operation of the netBlazr cooperative broadband network. This is a paid internship that will run through Spring 2012 and possibly beyond.

**Qualifications:**

- Candidate pursuing a BS or MS in Computer Science, Computer or Electrical Engineering or related field.
- Interest in entrepreneurship – previous exposure to start-up work environment is desirable.
- LAMP development (Linux or Windows, Apache, MySQL, PHP5) required; Zen Framework and Wordpress familiarity is desirable
- A broad set of skills and interests is more important than specific experience, but exposure to any of the following is a plus:
  - networking (packet networks, routing, protocols, priorities, TCP/IP, technologies)
  - wireless communications (WiFi, mesh networks, technologies)
  - small language scripting (Perl, Python, JavaScript)
  - socket level programming in C or C++
  - Microsoft tools (C#, .NET, Silverlight)
- Previous contributions to open source projects are a plus.

**To Apply:**

Please send resume to **recruiting@netblazr.com** with “**Software Development Intern**” in the subject line. We regret we can only respond to those candidates who meet the minimum qualifications. netBlazr is an Equal Opportunity Employer.
